### **Vehicle Rules**

1. Only vehicles allowed Ford Falcons & Holden Commodores.
2. All vehicles to be standard. No turbos or power adders. Must have original size motor for that vehicle.
3. Factory rim size to be used. Tyres are open.
4. Exhausts to be under 95dba. Exhaust to have at least one muffler and must exit behind driver's door.
5. All vehicles must have working fuel gauge.
6. No extra bars in bumpers or chassis allowed.
7. No locked diffs. Will be checked on rollers on the day of racing.
8. All vehicles must be fitted with race belts. Must have window net on drivers side.
9. Vehicles with air bags (srs system) must be disabled.
10. All tow bars to be removed.
11. All head and tail lights to be removed.
12. Side mirrors to be removed. Must have rear vision mirror.
13. Must have back mud flaps.
14. Must have towing loops front & rear.
15. Windscreen to be still in but all other windows/glass to be removed.
16. All cars to be fitted with roll cage consisting of a minimum diameter of 38 OD x 3.2mm, of steam pipe or RHS, to extended vertically from floor immediately behind drivers seat to the roof. A 300mm length of pipe RHS, of the same size as the roll bar, must be welded to each end of the roll bar. These to be bolted through the floor. A head rest must be mounted on bar. For diagram email or phone Phil Burgess [phil5t@clear.net.nz](mailto:phil5t@clear.net.nz) 021363396
17. Cars will be required to have numbers. These will be issued following receipt of entry form and payment
18. All badges, interior and exterior trim and plastic to be removed

## **Rules**

1. Each team will have 4 people in it. Each member has to complete at least 20 minutes of racing.
2. Team will be required to carry out at least two tyre changes (which requires two wheels to be removed from vehicle lay on ground then refitted). You will be required to do this twice during the race.
3. There will be a maximum of 26 cars. First in with entries get spots. Entries will only be accepted and approved with full payment.
4. Maximum of 10 litres of fuel to start race, with each pit stop a further 10 litres of fuel can be added. (Fuel tank to be empty at scrutineering).
5. No deliberate contact to be tolerated. If this is witnessed you will be black flagged to the pits for 5 minutes. But rubbing is racing.
6. First gear entering and exiting the pit lane and pits maximum of 10 kmph.
7. Be aware the weather conditions could and mostly probably will change sometime during the race.
8. A pace car will be dispatched if a crash occurs during the race to allow for the removal of immobilized car. Should you crash and are required to be towed you will be deemed DNF. Should you crash and are able to return to pits under own steam you may repair and return to race.
9. No alcohol to be in pit area or consumed until the race is completed. Also no extra help in pit area.
10. All competing race cars to be trailered to and from Central Motor Speedway. Race Cars are not street legal and if caught on a public road by police you will be prosecuted.
11. All drivers must wear full length, long sleeve overalls NOT NYLON. Boots or shoes must be worn, NOT JANDALS or SNEAKERS. Helmet and Gloves.
12. All decisions taken by the track officials will be final and binding and no protests will be entered into.
13. Competitors must have proof from the issuing authority that he/she has held at least a restricted civil drivers license or holds a Speedway NZ on day racing license (available on the day). Minimum age is 15 years. Competitors aged between 15 and 18 years must have signed consent by a parent or guardian.
14. All competitors must be aware and accept that they compete at their own risk.
15. Shootout will consist on 2 drivers completing 4 laps and the 2 fastest lap times combined will give you your grid position for the race.
